Dedication

DS Reading

If there ever was a man who was generous, gracious and good, it would be our Dr. Youngil Cho, who the students at the "Aug" call the "man".

Dr. Cho is more than an instructor, he is an asset to St. Aug. His tireless dedication makes him one of those rare instructors who enjoy teaching, but also cares about the welfare of his students.

Both in and out of the classroom Dr. Cho has served Saint Augustine's College beyond the call of duty. So it is with this that we, the senior class proudly dedicate this book to you, for a job well done and appreciated.

A Host to Me

I could write forever

for I am story

I could sing forever

for I am song

I could dance forever

for I am dance

My every word is history

The smallest tune I hum

is a hum of Love

My flickering movement

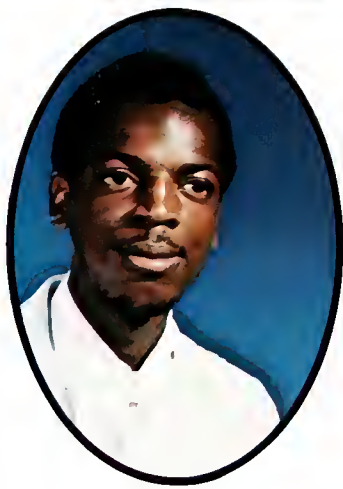

is a walk to heaven

My eyes play a symphony

to the king of kings

and

My laughter is a joy to the world.

PROGRESS

And after it rains
the sun comes out
and dries it up
the sun absorbs the rain
the rain evaporates
and becomes a part of the sun.
When touched by the sun
the rain becomes warm
and goes willing
and the sun smiles
and is happy
because there is progress there. M.A.B.

PROGRESS

And after it rains
the sun comes out
and dries it up.
the sun absorbs the rain.
the rain evaporates
and becomes part of the sun.
When touched by the sun
the rain becomes warm
and goes willingly
and the sun smiles
and is happy
because there's progress there.

The Falcon basketball team won their first Southern Division Championship, thus making the CIAA division "Falcon Country." The coach and athletic director, Harvey Heartley, was tabbed "Coach of the Year" by his peers. The team went to win the NAIA-District 26 Basketball Championship to advance to the NAIA finals held in Kansas City, Mo., a first for the College.

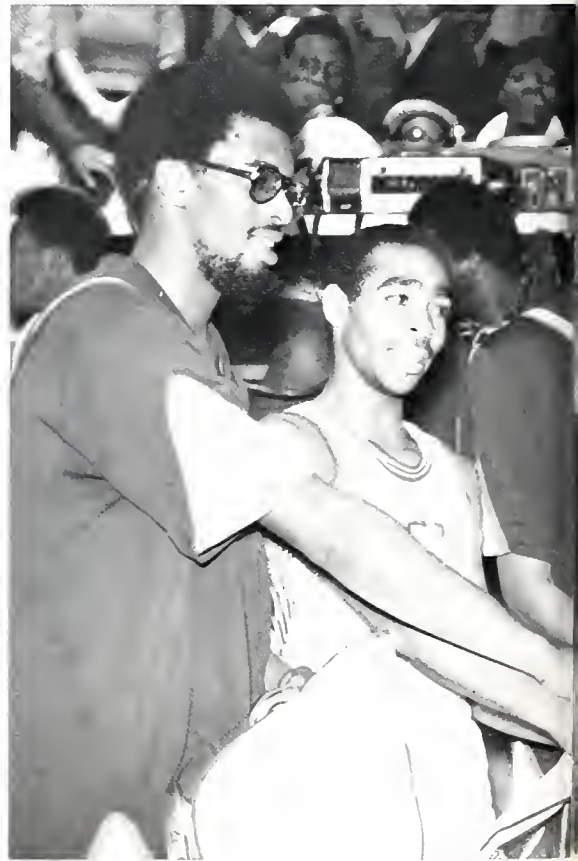

"It was just a banner year for us this time around, quipped Heartley, everything just fell right into place. The saddest thing about seeing it all come to an end now, is the guys that made a lot of this possible, graduated last week. It really will be hard to find guys like Sean Powell, Calvin Preston or Addison Ingram."

CIAA SOUTHERN

CIAA Champs

Bill Madrey of the Falcon tennis team, has been coaching the team for three years before his efforts began to pay off. This year, the Falcon netters amassed an impressive 21-1 regular season record, won the CIAA Southern Division Championship, placed second in the NAIA-District 26 Championships, then went on to claim its first ever CIAA Tennis Championship. Bill Madrey was named "Coach of the Year" by his peers.

"To say that this was a good year for us would be an understatement, said Madrey, it was truly a fine effort on everyone's part. Rafael Ceron, Christian Hohnhold, Arthur Drumwright and Harvey Witherspoon, all were exceptionally consistent performers."

The track team and Coach George Williams had an early taste of glory in their cross country efforts. This proved to be just a part of the strategy for a winning season. Once the regular track and field season was under way, the track team did something that no other track team had done in the history of the college, and that was to win meets.

Coach Williams took the task and the end result was the Falcon sweep of the CIAA Southern Division Title, the NAIA-District 26 Title and they took second place in the CIAA Championship finals. Coach Williams too, was named "Coach of the year" by his peers.

History Of Greeks And Social Fellowships

History Of Greeks And Social Fellowships

ALPHA PHI ALPHA, the first black Fraternity, was founded on the campus of Cornell University, Ithaca, New York, on December 4, 1906. The racial cleavage, characteristic of this period, had stimulated seven bold black students to form a group of minority people to insure mutual helpfulness. These seven students are known to members of the Fraternity as Jewels. Their courageous act was the initial step toward forming other Fraternities. The ideas and principles upon which this fraternity was founded influenced many great men to join. APA is based on knowledge and achievement.

Gamma Xi Chapter of ALPHA KAPPA ALPHA SORORITY, INC. was founded on March 26, 1949 here at Saint Augustine's College. As in previous years, the members have carried on traditional projects. Alpha Kappa Alpha women hold as their guiding light the motto: "Advancement through knowledge and achievement".

DELTA SIGMA THETA is a national Greek-letter Sorority founded at Howard University in Washington, D.C. on January 13, 1913. The founders envisioned an organization of college women pledged to serious endeavors, community services and to promote high cultural standards among its members of the larger society in which it existed. Today there are over seventy-five thousand members and more than four hundred chapters in forty states and the republic of Haiti and Liberia.

OMEGA PSI PHI Fraternity Inc. was founded on the campus of Howard University on November 17, 1911. The purpose of this fraternity is to mold and shape young men who meet general and specific standards of Fraternity-ship, into a finer product — A Whole Man.

ZETA PHI BETA was founded on the campus of Howard University in 1920. As a link in the great international chain that is striving to make meaningful its ideals of service, scholarship and sisterhood. Through all its endeavors, the chapter has been guided by its motto: "Finer Womanhood".

OH THOSE YEARS TIL "77"

Oh those years til "77"
Days of happiness, sorrow, frustration — all mixed,
Oh the days, as I look back,
If I can remember or be exact.

I walk in with bags and boxes,
Sadly took my linen and a key for the locks,
I settled in and it suddenly hit me,
You're alone in a place where parents won't be.

Thus life went on for many a student
Feeling from adjacent to conquest . . .
Math was a problem!
Sociology was Hoo! Humm!

Excuse me, I guess It worked
I'm on my way, through the Boyer Building we lucked
Seeking the doos of success
Survival in life require your best
Oh! those years!

Not only classes but friends forever
Forgetting not the joys as we traveled
The mirrors of my mind reflect the days done gone
But what is life — but to journey on.

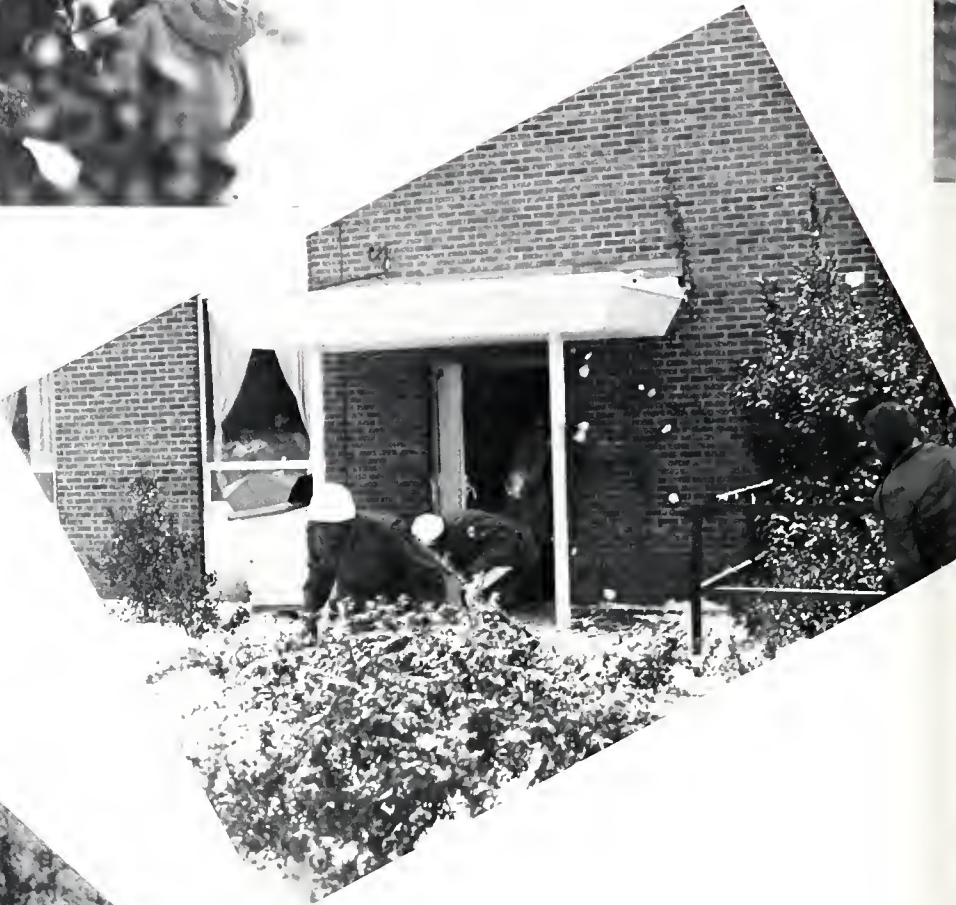

The laughter of friends and old financial cost
The sadness of the games we lost
Flunking a test to our displeasure,
Making an "A" on the next to treasure.

Oh those folks made to walk a line,
Pushed in the cafeteria and showed behind,
Hot weather, cold, and cool,
Remember getting tossed in the pool!
Oh those years!

Success

Success is speaking words of praise
In cheering other people's ways
In doing just the best you can
With every task and every plan
It's silence when your speech would hurt
Politeness when your neighbors curt
It's deafness when the scandal flows
And sympathy with others woes
It's loyalty when duty calls
It's courage when disaster falls. . . .

Give Lavishly! Live Abundantly
The more you give,
the more you get —

The more you laugh,
the less you fret —

The more you do unselfishly,
the more you live abundantly . . .

The more of everything
you share

The more you'll always
have to spare

The more you love
the more you'll find

The life is good
and friends are kind . . .

For only what we give away
Enriches us from day to day.

The Chariot

Because I could not stop for Death,
He kindly stopped for me;
The carriage held but just ourselves a
And Immortality

We slowly drove, we knew no haste,
And I had put away
My labour, and my leisure too,
For his civility.

We passed the school where children played
Their lessons scarcely done;
We passed the fields of grazing grain,
We passed the setting sun.

We passed before a house that seemed
A swelling on the ground;
The roof was scarcely visible
The cornice but a mound.

Since then tis' centuries, but each
Feels shorter than a day
I first surmised the horses' heads
Were toward eternity.

We acknowledge, worship,

Who have passed and gone,
Of your christian lives this

The Blue and White

The dark hue of the violet
The snow white lily's bloom
Are Emblems of the virtues rare
That seal all failures doom;
That give us courage ever
To dare to do the right;
For Alma Mater dear they stand,
All hail the Blue and White

O sing a song of love and praise
From loyal hearts and pure
For her our Alma Mater dear
And for her ideals true;
For a hundred years she's triumphed
As upward in her flight
She's climbed to be a beacon light
Her banner Blue and White

Senior Class Prophecy

January 1, 1982

Dear Casdell,

"Happy New Years." Well the time has come for us to start planning for the 15th Anniversary Reunion of the Class of '77. First of all allow me to congratulate you, The Honorable Casdell Singleton, Mayor of Charleston, as well as wish you luck on the upcoming election for Senator. How's the family, your wife and daughter? Give my regards.

Enough talk for now — shall we proceed to the business of the reunion? The 15th Anniversary Reunion of the Class of '77!! First of all it will be held in the Martin Luther King Building, by the way, have you heard they have done tremendous work on it — expanded the cafeteria, (as well as added more space) on the weekend of May 6-8 don't those days sound familiar? Now that the place and time has been set we must now start sending letters to the former classmates requesting that they attend. Attached to this letter you will find a list of names of those you will be responsible for contacting, as well as those I will contact.

You won't believe this but, I've been following our classmates lives as they achieved through the years, and you wouldn't believe how well they have done. For example: Vanessa Harper presently has her own business, (an Advertising Agency) she was the Head Manager of a Bank. Angela Headen, I'm sure you read about her in the papers, is a Tennis Pro. Linda Fuller is married, mother of three, as well as a 6th grade teacher. Sarah Lee, now Mrs. Moore, is living in Florida, an Assistant Manager with her husband who is, by the way, Manager of the First National City Bank of Miami.

Ivy McClam, Sherri McCleod, Harvey Modica and Debra Johnson are all working at St. Aug. Ivy is Dept. Chairman of Mathematics. Sherri is the Financial Aid Director. Harvey is Dept. Chairman of Business his staff workers are: Marsha Long instructor of Accounting, and Ernestine Lloyd, instructor of typing. Debra Johnson (Dr.) is instructor as well as assistant Dept. Chairman of History and Gov't. My old roommate Laura Holden is in California she is Head Supervisor for delinquent girls. Doris Hill is married, she and her husband are living in Germany where he is stationed. Denise Massey is a principal of a high school in Virginia. Mary Stallings, I just saw her at our Sorority Boule last month, is expecting her second child, taking a leave of absence from her job as a counselor of guidance in a junior high school. Phyllis Mobley has her own dance studio in New York. Suslin Rolle, leisurely living the life in the Bahamas, is Director of Community Affairs. Would you believe that James McCoy is now a Major, he is stationed in Wyoming. Lee Royster is Dept. Head of Art at the University of Chapel Hill. He just completed his doctorates. Sharon Frasier is a Research Biologist. I guess you are wondering has anyone married, besides the ones I mentioned. Yep, there are quite a few: Patricia Magnum, Carolyn Lemon, Connie Jeter, Elizabeth Jenkins, Glenda Sellers, the names are endless, but just gave you a few, those whose names may have rung a bell. Remember Leatrice Frazier? Well she is now Lt. Colonel Frazier, Dept. Head of the Military Science at our dear alma mater, the first female to achieve the position in the country. Glenda and Brenda Boney joined forces and started their own Real Estate business in Florida. Marlene Tisdale is presently Director of Child Care Centers in Charleston. Dr. Cleauthor Davis is professor of business at North Carolina State University.

Well, enough gossip and back to business. I will be awaiting your response as soon as possible. If there are any questions don't hesitate to ask. Later for now.

Love,
Donna (Drayton)

Dear Donna,

Jan. 15, 1977

I was very glad to hear from you concerning our classmates. Congratulations on your elections as Congresswoman of New York and give my regards to your family. In an effort to find our classmates to inform them about our Class reunion, I have only heard from forty of them. It was very good to hear that they are doing so well. I will give you a brief rundown on the classmates that I have been in contact with. Remember Dale Baskerville? Well, now he is Rev. Baskerville. He is rector of one of the largest churches in Virginia. And as we all may have expected, Dr. Ernest Green, who is now a Pediatrician and Dr. Bellance Rook Green, who is a Research Biologist, are married and have three children. Well listen to this, I know is no surprise, Kevin Heard, who is now a Personnel Manager of Bahamas National Bank, and Judy Bain, who is now Principal of the Government High School are married and is living in Nassau. Perhaps the interesting thing about our class is that many of us married our old sweethearts with one exception. Remember James Thomas, well he is now President of North Carolina Mutual Insurance Co., but his old sweetheart, Darlene Farrar is now a Bank Manager of Ohio Bank and Trust after completing her studies for a Masters Degree at Ohio State. Lt. Colonel Anthony Whitehurst and his wife Mrs. Florence Wilkins Whitehurst, are living in Norfolk, where he is a Professor of Military Science at Norfolk State and Florence is a Pro. of Early Childhood. Many of our classmates returned to their Alma Mater such as:

the super basketball stars, Preston, Ingram, and Powell. Well they all returned to the Aug. as coaches to see that the Athletic Department stayed on top.

Remember old quiet Doreen Breley, well she is now Ambassador to the U.S. from the Virgin Islands. Attorneys Janice Tyson and Gregory Cleaves are now very prosperous attorneys, guess who their executive secretaries are: Myra Womble and Clara Boyd.

Remember Felix the Cat, well he is now Dr. Felix Jackson along with old college sweetheart Genita Jackson, now operates a private clinic. Dr. Glenda Nobles is now professor of Psychology at Howard University. I know you remember Peggy, well she is now Dr. Dillard and President of Spellman College. Ol's loud talking Donald Cook and quiet James O. Smith are partners in the CPA firm of Cook & Smith. Remember Dr. James Longmire, he also returned to his alma mater, he is now Head of the Music Dept. Remember Kenneth Harris, well he is a still millionaire in Pittsburgh. And Leroy Gibson is a City Councilman in Charleston, S.C. Remember old Gus Toomey, well as we all expected he is now President of Liberia and is married with a Little son, Little Gus. I know you remember our Queen Mrs. Floyd Knowles, well she is now Congresswoman Knowles. Remember our crazy friend Kevin Tolbert, well he is now professor of Black Studies at the College of Charleston. Remember James Bryant well he owns a chain of hotels and restaurants on the east coast. Dr. Leon Bunn has returned to his alma mater as Chairman of the English Dept. Cecil Lee is now Personnel Manager for Dupont Corp. Mrs. Vera Steplight is now a Financial Analyst for IBM Corp. and shy Janistine Gaque is Director of the Mental Health Program in South Carolina. Anita Nash is Principal of Milbrook Senior High, and Robert Barnwell is Editor-in-Chief of the New York Times. Dr. Gloria Armstrong is Choir Directress of Bennett College.

Mrs. Dorothy Forman is a model for Ebony Fashion Fair. Ronald Speller is National President of Phi Beta Sigma and a Businessman. Brenda Watts is now married and living in California. She is also a 10th grade teacher. Marie Whitten is now Attorney Whitten in a noted law firm in Columbia, S.C. Steven Payne is now a 5 star general, stationed in the Pentagon. And Reginal Hill is now a Secret Serviceman for the President of the U.S.

Well, I guess I'll close for now. Will still continue to contact the remaining of our classmates on my list. Will be looking forward to seeing you in a couple of months.

Love,
Casdell
